If you belong to the Street Series family - look for the logo...

STREET *Series*

Precautions

1. Do not try to repair the unit yourself. If you are experiencing any problems with this product, please disconnect from power immediately and inform your nearest distributor. The product is comprised of many electronic components. Attempting to repair or disassemble may cause the product to malfunction and void warranty.
2. Do not use chemical detergents to clean. Use a soft cloth to remove dust or dirt on the unit.
3. Keep the unit away from excessive heat or cold.
4. To reduce the risk of fire or electric shock, do not expose this product to rain or moisture.

Warranty

Option Audio Pty Ltd, (OA) warrant all OA product to be free of defects in material and workmanship for a period of (1) year form the date of original purchase provided they are purchased from an authorized OA reseller in Australia. However, the effective warranty period will be two (2) years if the products were purchased from and installed by an Authorised OA Reseller. Do not try to repair the unit yourself. If you are experiencing any problems with this product, please turn power off immediately and inform your nearest retailer. The product is comprised of many electronic components. Attempting to repair or disassemble may cause the product to malfunction and void warranty.

WHAT IS COVERED - Parts and labour to effect or, at the sole discretion of OA, replace of either any malfunction or defective part(s) to or the entire system should the system or any component part(s) there of ail to perform as designed.

WHAT IS NOT COVERED - Installation or setup and repair or replacement of the system or any parts thereof which, in OA judgment, fail or become damaged as a result of negligence, improper use, abuse, unauthorised modification or service, improper or inadequate packaging during shipment, installation by a non-authorized dealer, accident, or use for any purpose other than those for which this product was originally intended, or where the model's serial number has been removed, altered or defaced. The warranty is non transferable. Option Audio will not accept consequential damages as a result of product failure.

WHO IS COVERED - Original purchaser as long as they reside in an area which an OA reseller can be provided with the original date of purchase (e.g. store receipt from an OA retailer). Product returned for repair/service must be properly packaged and clearly marked with the Return Authorization (RA) number issued by OA Reseller. If the RA number is not clearly marked or the package or no RA number was issued by OA Reseller the RA will be returned to the OA reseller. All warranty enquires will be handled through the reseller and not directly with the customer.
